

Pre-employment Questionnaire

Congratulations on your job offer. As part of Camden's pre-employment checks, we need you to complete the following questionnaire regarding Health and Criminal Declaration:

Health

If you answer yes to either question, we will refer you to our occupational health provider: Health Management Ltd and you will be requested to complete an online medical questionnaire which will be treated in the strictest confidence.

Criminal Declaration

Camden recognise the contribution that ex-offenders can make as employees and volunteers and welcome applications from them. A person's criminal record will not, in itself, debar that person from being appointed to this post. Suitable applicants will not be refused posts because of offences which are not relevant to, and do not place them at or make them a risk in, the role for which they are applying. The criminal history declaration must be completed in full, failure to complete this declaration will result in your application being withdrawn.
