As freeholders of the property for which the application has been made, we would like to make it known that we have not given consent to this project. Whilst we would naturally not withhold permission on any unreasonable grounds, we would like it noted that as owner/occupiers of the flat directly below we have an interest in using the roof.

At this time, we would also like to point out a few discrepancies in the application:
Firstly, that notice of the application was served to Claudia Dulak only by the leaseholder on 12th August 2021, but not again on 25th October 2021 as declared on the application.
May it also be noted that the application is not searchable using the post code on the Camden Planning Search Page and therefore any attempts to view the application has only been found by using the application number that, only by chance, was noticed on a nearby lamp post on the 23rd November. We were under the impression that the application had been dropped as the leaseholder now has the flat on the market for sale and any searches made during the intervening months on Camden¿s website showed no sign of the application.

Yours faithfully

Claudia Dulak
