2021/4606/P	Inkerman Area Residents Association	25/11/2021 18:16:15	INT	<p>The Inkerman Area Residents Association covers the area bounded by Prince of Wales Road, Kentish Town Road, Holmes Road and the railway lines to the West.</p> <p>2 Prince of Wales Road lies within our area, and we are delighted to note the proposed change of use of the building (while regretting the local loss of the Law Centre and Citizens Advice). We note the following:</p> <p>"The Neighbourhood Hub concept has been developed through discussions with the community to create the next generation of public sector buildings that are both fit to serve the wants and needs of local people whilst also being able to financially sustain themselves in the long term."</p> <p>We are not aware of any discussions to date with our own community and would be very happy to be involved in further discussions about the ways in which the building could benefit the local community. As well as the Inkerman RA, the Raglan Estate and Una House (next door to no.2) have their own TRAs, and we hope we will be further consulted.</p> <p>We would all very much welcome a community space which offers resources, including meeting rooms, to the local communities.</p>
