Dear Kate,

I am writing to voice my grave concern to Camdens planning permission in Howitt Close - Ref: 2021/3839/P

As a local resident who has [REDACTED] I am shocked at Camden's potential permission to allow planning to erect such an extension. The area is a conservation area, the a building currently fits in with the height of the current buildings on the road, the development will have a signicatny impact on the daylight access to the other buildings on the road, along with over looking and privacy.

I have strong objections to this development going ahead, and do not see the benefit to the local area or residents.

Regards, Isibea
