Dear Planning Committee

**Re: TYBALDS REGENERATION PROGRAMME: Planning Application number 2021/3580/P**

[REDACTED] in the middle of the proposed development, overlooking the area bounded by Blemundsbury, Chancellors and Babington buildings.

**1. We object to proposed Block B:**

- It is too close to our building
- It will block our natural light and sunlight
- It overlooks our flat – bedroom, bathroom and sitting room
- The area between Block B and Blemundsbury will be even darker and damper than it is already

**2. We object to the proposed siting of the main estate refuse point:**

- The proposed site is located opposite the wall of our building, underneath our windows
- There will be noise, smell and will attract rats and foxes
- It will block access for our maintenance but:
- Enable access for intruders
