Subject: 2021/3465/P: 24 Constantine Road Rooflights Variation

Hi there, as this application is seeking a variation which may elicit fresh comments, yet tge re-posted application form does not alliw comments may i add an objection prior to review and approval. Can Camden please require any lights to be shielded from neighbours and restricted to illuminating the property itself only. In South End Close estate we suffer from many such rooflights adding to the light pollution entering our residences from Constantine Road dwellings.

Many tganks
