2021/4486/P	David Yass	08/12/2021 16:43:18	COMMNT	<p>Comments on behalf of Gondar and Agamemnon Residents' Association (GARA):</p> <p>This application is almost identical to the previous application 2020/2688/P. Our comments and those of the WH NDF on the earlier application therefore remain relevant, noting that cycle storage in the rear garden is included in the new proposal.</p> <p>Reason for refusal #1 for the previous application is 'the proposed development would occupy the site of a TPO Ash tree (which has been removed without consent)'. The Design & Access Statement states that this has been addressed. However, we do not understand how waiting one year can address this issue.</p>
