Hello Jonathan,

Many thanks for your email. Having looked at the revised drawings I can confirm, on behalf of the Committee, that these changes would address our objections.

We would be happy to change our comment to "No Objection" as a result.

I hope this quick response assists.

Kind regards

Luisa

on behalf of CTCAAC

Hi Luisa

Thank you for your comments below (and attached) to these applications. Mark has unfortunately left the Council and we are seeking to reallocate this application to a new officer. The architect has seen your objection and in response has amended to ground floor proposals to omit the enlargements of the structural openings.

Please see attached revised existing plan DEL-EX-GA-02a which omits the areas shown as being demolished, and DEL-PL-GA-02a which shows the ground floor plan as retained as existing. Hopefully this addresses your objection? We will need to review the other works and ask for a Conservation Officer's opinion before making a recommendation.

Kind regards
