2021/4486/P	Norma Jones	10/12/2021 19:40:03	COMMNT	<p>As joint Freeholder of 12 Sarre Road, I was not informed of this application as I should have been and became aware of it by chance.</p> <p>re The Design & Access and Policy Statements-</p> <p>the adjacent ground floor flat and garden will be overlooked with consequent loss of privacy and light. It is incorrectly, twice stated that the ground floor windows are obscured by existing fence and foliage. There is currently no loss of light due to the existing fence/ very slight foliage.</p> <p>The windows are not closely flanked by a fence as there is a path, approximately 1 metre wide between the windows and the fence.</p> <p>re Daylight Assessment report - there will be inevitable overshadowing and loss of light to the adjacent ground floor rear garden at no. 12, by the proposal, as it will be sandwiched between two tall buildings, number 5 and the new house.</p> <p>Number 14 has a garage/building at the far end so it will not be similarly affected.</p>
