

MAREK WOJCIECHOWSKI ARCHITECTS  
LONDON

London Borough of Camden,

14<sup>th</sup> December 2021

Dear Sofie Fieldsend,

**RE: Discharge of Condition 11 – Front Boundary Wall (2021/5724/Invalid)**

Further to your request please see the below specifications of the proposed brickwork and mortar to the front boundary elevation. A photograph has also been provided to indicate the proposed brickwork in the context of the existing portion of wall located adjacent to No. 6 Branch Hill. The contractor has carried out 2no. samples of mortar, however we propose to use the mortar shown on the right-hand side of the photograph.

Brickwork specification: *Imperial Bricks, Reclamation Yellow Stock Handmade Facing Brick 68mm (technical datasheet attached).*

Mortar specification: *4 parts builders' sand, one-part sharp sand and one part white cement (snowcrete).*

Pointing: *Struck to match existing.*

I trust that this is clear but if not, do not hesitate to contact me with any queries.

Kind regards,

Sam Wood
