London Borough of Camden,

14th December 2021

Dear Sofie Fieldsend,

RE: 2021/3029/Invalid

Please find enclosed the requested amended drawings relating to the addition of 1no. door to the rear of the property for maintenance purposes. Our drawings have been updated to better illustrate the door in plan, elevation and section.

The documentation attached as part of this discharge of condition application includes:

1. P_04_Proposed Second Floor Plan_F;
2. P_14_Existing and Proposed Section AA_G;
3. P_22_Proposed Rear Elevation; and
4. An image below indicating how the finished door will look.

It is proposed that the solid timber door would be detailed with v-grooves to match the coursing of the approved brickwork. The proposed door is to be painted black to match the colour of the approved brickwork.

I trust that this is clear but if not, do not hesitate to contact me with any queries.

Kind regards,

Sam Wood
