All our trees are valuable assets from an environmental point of view , this is acknowledged for our planet everywhere. Furthermore they are important for our mental health , they are beautiful and connect us back to our roots . Anyway what would Hampstead be like without its greenery ? That is a part of its identity ! Refuse this vandalism , we need our trees , look after them , prune them , admire them .</p> |

| 2021/6072/T | D Pelk | 14/12/2021 09:01:05 | OBJ | <p>This application is somewhat misleading as the description "REAR GARDEN: 1 x Horse Chestnut (T1) - fell to ground level doesn't mention that there is a 2nd tree targeted for felling to ground level. Nor is there any photographic evidence of the state of that tree, nor a report from the tree surgeon.</p> |
