2021/5349/P	Dr Mark Turin	15/12/2021 11:44:58	OBJ	<p>We are writing to express our concern about planning application 2021/5349/P for 22 Tanza Road. We are the owners of the ground floor and basement flat at 58 Parliament Hill which is the adjoining property immediately to the northwest. The proposed works seem excessive and will directly impact the quality of our lives in our home. In particular, we are concerned about</p> <p>Loss of light through the erection of a 2 storey side extension Loss of privacy with more windows directly overlooking our garden and bedrooms A heightened sense of enclosure through greater building density A great concern that the excavation beneath the footprint of the building for an enlarged basement will have a deleterious impact on our garden wall and water drainage.</p> <p>In short, we are not in support of these extensive plans as they currently stand.</p> <p>Yours sincerely</p> <p>Dr Mark Turin and Mrs Hannah Turin</p>
