Dear Sir/Madam

**Submission of details to discharge Condition 16 attached to planning permission (2016/2094/P)
– 150 Holborn, London, EC1N 2NS**

We write on behalf of our client, 150 Holborn Real Estate Limited, to submit details to discharge condition 16 attached to planning permission (Ref: 2016/2094/P).

Condition 16 states:-

Prior to occupation of the hereby approved development, details of the location, design and method of waste storage and removal including recycled materials, for all uses on-site, shall be submitted to and approved by the local planning authority in writing. The facilities as approved shall be provided prior to the first occupation of any of the new units and permanently retained thereafter.

A plan has been prepared by Steer showing the waste management facilities on site. This plan clearly shows the commercial and residential waste stores and what is proposed for these areas. This should be read in conjunction with the Waste Storage Section (section 4) of the approved Delivery and Servicing Management Plan.

The Delivery Servicing Management Plan is included for ease of reference.

We look forward to discussing this with you and receiving confirmation that the package has been received.

Should you require any further details in respect of this submission please contact Faye Wright of this office on 07812 140 099

Yours faithfully

Forward Planning and Development
