Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing use is as a C3 Dwellinghouse for a single family, and this will be maintained as the proposed use. Permission to use the building as a dwellinghouse was not granted by virtue of Class M, N, P or Q of Part 3 of Schedule 2 of Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The property is in use as a single-family dwelling house (C3 Use Class) and therefore enjoys Permitted Development rights under the Town and Country Planning (General Permitted Development) (England) Order 2015 and subsequent amendments. Whilst the property falls within the Parkhill Conservation Area, permitted development rights along Lawn Road are not restricted by any relevant Article IV Direction.

The proposals are permitted under Schedule 2 of the Order:

Part 1: Class A – 'enlargement, improvement or other alteration of a dwelling-house', allows the replacement or insertion of windows, with no restrictions on the number, position, or size. The replacement of two windows and one door on the street elevation, in materials and architectural detailing of a similar appearance to those used in the construction of the exterior of the existing dwelling-house, does not require planning permission.
