Subject: RE: Certificate of lawfulness (proposed) application - 2021/3818/P - Ziggurat Building, 60-66 Saffron Hill

Hi Tony,

We have now confirmed the colour of the replacement panels.

As you can see from the image below we have managed to find a direct match (sample of existing cladding is the irregular shape with fixing points).

The specification is Trespa Meteon Uni - Silver Grey, Satin A03.0.0.

I can provide a sample and full RAL colour is required.

Can I please have an update as to the decision date?

Kind regards

Brendan Barry

The specified colour stability and colour specifications relate only to the decorative surface of the Trespa products, not to the core material and samples of the Trespa products. Trespa products are delivered ex-works with straight, sawn sides. Customers and third parties must have a professional adviser inform them about (the suitability of) the Trespa products for all desired applications and about applicable laws and regulations. Trespa does not warrant the above. The most recent version of the current delivery programme and the Material Properties Datasheet can be found at www.trespa.info. Only the information in the most recent and valid Material Properties Datasheet should be used to select and provide advice regarding Trespa products. Trespa reserves the right to change (the specifications for) its products without prior notice.

LIABILITY

Trespa is not liable (neither contractual nor non-contractual) for any damage arising from or

related to the use of this document, except if and to the extent that such damage is the result of wilful misconduct or gross negligence on the part of Trespa and/or its management. The limitation of liability applies to all parties affiliated with Trespa, including but not limited to its officers, directors, employees, affiliated enterprises, suppliers, distributors, agents, and representatives.
