2021/6108/P	Laura Da Silva	16/12/2021 10:36:07	COMMNT	<p>There is a big echo in the area you are planning to add benches and activities. Your proposal does not include any remediation to noise. This has been continuously mentioned and you do not seem to take it into account.</p> <p>Additionally, this is currently an area that feels like nature. Your proposal seems to turn it into a cheap, 90¿s colourful area that does not blend with nature.</p>
