Subject: Pruning Work

Tim Owens
Flat 1
9 Carlingford Road
London NW3 1RY

Dear Sir / Madam,

I wish to carry out some pruning work on two trees in the garden of 9 Carlingford Road which lies within a conservation area.

The work relates to low-hanging dead branches on a Tulip tree and a dead limb from a Strawberry tree.

I have attached photos to illustrate the limbs that I would like to remove.

Please advise how to progress this request.

Best regards

Tim
