2021/5146/P	Thomas Rowlands, Pamela Royston and Amisha De Zoysa	20/12/2021 11:36:23	OBJ	<p>The proposed changes to 59 - 60 Belsize Park will significantly increase the height of the existing building which is already out of character with the properties on the road.</p> <p>It will also cause the garden of 62 Belsize Park to have afternoon sunlight blocked by the additional floors, it will also mean the garden is further overlooked by additional properties, with the additional floors also being visible from the top floor of 62.</p> <p>The additional properties will also increase parking congestion on Belsize Park which is already a congested road for parking.</p>
