2021/5526/P	Claire Wralhall	17/12/2021 16:18:03	SUPPRT	<p>Almost every house on this side of Grafton Crescent has a single-storey kitchen extension (ours incorporates a WW2 air-raid shelter which dates back at least 80 years), so I would like to support this application. The past 21 months have shown how imperfect open-plan living can be if you're home working, home schooling and/or quarantining, and it would be very sad for the community if the family at no 13 moved away because, with growing children, they need more space.</p> <p>I also support their application for a roof terrace. Again many of the houses, and those on Healey Street that back on to the crescent, have them so it's not with many precedents. Every home needs a sunny space, however small, to sit out on, [REDACTED]</p>
