| 2021/6127/T | Nix | 17/12/2021 09:16:38 | OBJ | Is the reason stated a valid one for destroying yet another tree in this area? Is 'low quality' a valid reason or purely a cosmetic one? It is difficult to tell from the picture supplied, particularly because of the time of year, if this is a sufficient reason. Have other options, such as pruning, been suggested instead of just removing the entire tree? Is the body providing this description of the tree an arborist or just a landscape consultant? If the tree does have to be removed, what is being suggested to replace it? Thank you. |
