Dear Sir/Madam

DECISION

Town and Country Planning Act 1990

Certificate of Lawfulness (Proposed) Granted

The Council hereby certifies that the development described in the First Schedule below, on the land specified in the Second Schedule below, would be lawful within the meaning of Section 192 of the Town and Country Planning Act 1990 as amended.

First Schedule:

Replacement of existing cladding panels with new fire-resistant cladding panels at upper floor levels (7th to 9th floors).

Drawing Nos: (P-)0001, 2001 to 2004 (inclusive), 2011 to 2014 (inclusive); Design and Access Statement (ref. FHA21106) and email from Finley Harrison Architectural Services Ltd. dated 06/08/2021 and 17/12/2021 respectively; Rockpanel Group Fire Safety and Cladding Brochure; Rockpanel Group Cladding Product Data Sheet.

Second Schedule:

Ziggurat Building
60-66 Saffron Hill
London
EC1N 8QX

Reason for the Decision:

- 1 The works are not considered to fall within the "meaning of development" requiring planning permission as defined by the Town and Country Planning Act 1990.

Informative(s):

- 1 You are advised that the building subject to this application is meets the criteria of a relevant building under planning gateway one (being a residential building with a height of more than 18 metres). However, as this application is for a certificate of lawful development rather than for planning permission there is no requirement to submit a fire statement and no mechanism to make an assessment in respect of fire safety within this application. You are strongly advised to prepare a fire statement.

The works are subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
