Flat 4 3 Gloucester Crescent London NW1 7DS 2021/3820/L

Objection.

We object to the loss of the original and surviving plan form through the destruction of the main cross wall to create an enlarged kitchen and the enlargement of the entrance lobby. The loss of the wall to bedroom 2 is also harmful to the plan form. The plan form is a significant element of the Listed Building, and the loss of original fabric is also harmful.
