2021/6127/T	Anthony Brown	25/12/2021 20:44:48	COMMNT	This is a very beautiful tree of some age. Hampstead is well known for its trees and it would be an enormous loss to this garden and to Nutley Terrace from where the tree can be well seen for this tree to be felled. It is important in this area that more trees are planted and that mature trees are not cut down. We suggest this tree and the Palm are protected in this beautiful garden
