

A horizontal number line is shown, starting at 0 and ending at 10m. There are major tick marks at 0, 5, and 10m. Between 0 and 5, and between 5 and 10m, there are four smaller tick marks, dividing each 5m segment into five 1m segments. The first 1m segment from 0 is further divided into ten sub-segments by vertical lines, representing a scale of 0.1m.

---

Contractors must verify all dimensions on site before commencing any work. Figured dimensions to take precedence over scaled dimensions. Contractors must not scale from this drawing unless express instructions are given by Sampson Associates. The copyright of this drawing is reserved. The drawing must not be disclosed without authority.
