6. Description of the Proposal

Please note in regard to:

- Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use and details of the proposed demolition.

This statement relates to a proposal to create an excavation of single-storey basement level under footprint of existing building, sunken terrace to north-west of site, 4x front and side light-wells with grills, internal alterations to dwelling flats on ground, first and second floors, new window openings to rear ground floor elevation, block 1x window rear first floor level, demolition and re-building of the north-west end of the building, new boundary treatment with railings and landscaping works, in association with 6 existing dwellings at 1 Wadham Gardens, St. John's Wood, London NW3 3DN

Has the work or change of use already started?
