**Subject:** Eileen Willmott: Tree comments for Dartmouth Park. 26/12/11

Dear Tree officers and planners,

May I wish you the Seasons Greetings and a Happy and Healthy 2022.

In a previous email, I said that I was standing down from the DPNF, but have decided to stay on the Committee, so am representing them and the DPCAAC too.

List 663

2021/5990/T

2021/5991/T

2021/5992/T

The first two of these applications relate to No 30 Bramshill Gardens (see amended address; was 32). The third one relates to the communal garden at the rear of the listed Pentad at Nos 22 - 32 Winscombe Sreet, N19.

Sharon Hosegood Associates (SHA) have prepared a S211 notice; SHA 1422, dated December 2021. This includes a current survey and proposed works to be carried out in Winscome Street and Bramshill Gardens in order to improve and maintain the gardens for the foreseeable future. Currently a wall has been removed adjacent to the HNCC development site, this will be replaced and espalier fruit trees, together with a birch grove in front of it, have been proposed, presumably to 'soften' the effect of the new bare wall.

I visited the site on December 13th and have been shown all of the relevant trees. I do not object to the proposed tree works being carried out, many are much needed, some trees need to be removed due to poor condition. However, you may decide not to fell the the six Ash saplings (G6) as they have been pollarded in the past, but poorly. I do not object to the work on the TPO'd Lime (T11)(C862 2009). I welcome the new proposed planting, but regular maintenance will have to be carried out in the future to maintain and develop the improved and updated communal garden.

2021/6025/T. Flat 4 Bramshill Mansions

No objection to the work on the Yew and Weeping Willow in the rear garden or the Magnolia in the front as they are mostly 'reduce to previous points'.

List 664

2021/6067/T. 53 Dartmouth Park Hill

No objection as DD

2021/6096/T. 36 Dartmouth Park Avenue

No objection to the work on the two TPO'd bay trees as it relates to previous work.

2021/6094/T. 6 St Anne's Close

No objection, tree in poor condition

2021/6102/T. 3 St Anne's Close

No objection

2021/6104/T. Parking Area

The Ash (T6) is completely outcompeted by the Poplar, therefore No objection

No objection to the reduction of the Holm Oak or the ivy removal, also on the Cupressus

Thank you,

Eileen Willmott
