2021/5664/P	Thomas	04/01/2022 21:01:51	OBJ	<p>HI,</p> <p>I do live opposite them on Betterton street and its been a total nightmare for the nearby living residents for the last 3 months as its an open roof terrace so you can hear a noisy and loud music as far as Covent Garden tube station . They been playing a music on Fridays and Saturdays already till 3am from middle of August and none of us in Betterton house can sleep and as we having a baby I wish that someone will shut them down immediately .</p> <p>On 31st December they played a music on open terrace till 5am we all were awake . They can not play loud music for all Covent Garden to listen till the morning as what they are doing it now.</p> <p>Can you please enforce them to take down all those crazy roof structures as our lives became unbearable with the night clubbing by our windows .</p> <p>I hope someone have some sense in planning department to stop that total nonsense which is already affecting us by plying loud and noisy music without any control 50m away from my window .</p> <p>kind regards</p> <p>Thomas</p>
2021/5664/P	Eddie May	04/01/2022 17:49:40	OBJNOT	<p>I would like to object to this application. I live on the 4th floor of Betterton House. It looks directly onto the wooden terrace. The wooden terrace structure has already been built. Since its building it, I have been witness/unwilling participant in several parties there, with the noise being generated to a level that permeates into my home. Little regard has been given to the discomfort of our block, with the wooden wall structure being quite unable to stop the noise being generated by the activity behind it. I would be worried that it will be a regular blight on the peaceful enjoyment of my home.</p> <p>I have been in touch with Sophie Bowman, detailing the occasions that noise has been emanating from the structure, but, to date, it has only been confirmed by Sophie Bowman that it is an unauthorised structure.</p>
