There is no need for additional retail or coffee outlets at this location and granting this will affect the following things adversely:</p> <ol style="list-style-type: none"> 1. Heritage aspect of Russell Square 2. Rubbish and amenity - from take away packaging etc 3. local livelihoods - the cafe in the square and established hotels, restaurants and coffee shops in the area. <p>I write as a local resident living on the square who has to put up with all the adverse impacts this change of use would bring.</p>
