*Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.*

Condition 5 of the consent states:

*'Before the brickwork is commenced, a sample panel of the facing brickwork demonstrating the proposed colour, texture, face-bond and pointing shall be provided on site and approved in writing by the local planning authority. The development shall be carried out in accordance with the approval given. The approved panel shall be retained on site until the work has been completed.'*

*Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.'*

### **Approval of Details**

The application seeks the full approval of details as required by conditions 4 and 5.

The detailed design is provided on the following drawing.

- 343.47/PLC/10 Rev A

Two sample piers have been constructed onsite concerning condition 5 for discussion with officers. These are both constructed from reclaimed bricks, so no technical specification is available. This is so that the 'new' brickwork merges more successfully with the existing wall. Photos of the samples are below:
