2021/6108/P	Eva DURAN eppler	08/01/2022 18:35:52	COMMNT	<p>This planning application was discussed at the beginning of the whole Maitland Park redevelopment. Tenants and leasholders were promised by Camden Council that the Park would be preserved. We have already lost trees without any commitment by Camden council to repurpose the unusable fire engine parking and entrance area of Maitland Park. We had fire engines round yesterday. They parked on the road because they can't get down the drive.</p> <p>Inatead camden proposes to build up more of the green space despite 2 gym spaces being in 5 minutes walking distance - people who want to exercise can walk 5 mins to an exercise area, no?</p> <p>And us already having 2 play areas for different age children which are used by drugdealears and drugusers 100x more than children.</p> <p>Maitland park residents have made this abundantly clear to camben council. As usual, we are not heard. PLEASE at least hear us on this. There is a reason why we want to live in Maitland Park and NOT maitland outdoor gym and playarea!</p>
2021/6108/P	Kirsty Hannah	08/01/2022 20:15:44	COMMNT	<p>We as a community are REALLY not okay with their being more equipment and benches that will used by drug dealers and kids also playing music and taking drugs. I care about the kids but giving them more spaces to hang out in and cause a direct nuisance and sometimes engage in threatening behaviour, drug abuse and rubbish littering is not addressing their care needs.</p> <p>We love the GREEN spaces. We don't want any of that to be taken away.</p> <p>Please please listen to us. Many of us told you this at the consultations and it seems you haven't listened.</p>
