### ***Custom made Illuminated Brass Menu Case***

Our hand crafted brass menu cases are great for cafes, bars, restaurants and hotels. Fitted with low voltage LEDs which are very economical to run and can last up to 40,000 hours. Please note this is real brass and will require regular polishing with a product like [Brasso](https://en.wikipedia.org/wiki/Brasso) or similar to keep it shiny all year round.

***Need a custom size? No problem! Please [contact us](http://www.goodwinandgoodwin.com/pages/sign-companies-north-london) for bespoke sizes.***
