We have enough restaurants, coffee houses, bakeries on the street without adding to them. Another one will only add to the rubbish and unsociable behaviour problem as well as parking: cars will be stopping on West End Lane on the zigzag lines or on Fawley Road on the double yellow lines because "I will only be a minute" to pick up the food, thus causing more bottleneck and traffic issues (especially with the buses who already have to deal with the Sainsbury's and Tesco's delivery lorries). Please, please, don't allow this.
