Subject: pruning tree [E-CASE: NOIAtp, E-TICKET: LJagJ4]

Dear Sir/ Madam,

I would like to apply to prune a plane tree which is on my property. It is regularly reduced by 25 percent every three or four years.

Previously the tree surgeon used to ask permission I have to say that I tried the four pages form online and I am bit unsure about a few questions.

Can I apply by email or phone?

Regards
