Dear Ms Evans,

Thank you for your email.

As requested, please find some existing photographs of all of the windows (casement, fixed and sash) and the proposed section drawings.

Please do let me have your feedback.

Thanks,

Dear Geri Gohin,

Ref: 2021/4970/P.

Thank you for your correction.
I have looked at the building again.
Ideally, these replacement windows should all be sashes as adding double glazing does not increase the window frame widths.
Could they submit existing and proposed details of casement windows?
We are concerned about the piecemeal replacement of windows to this Villa.

Regards,

Eldred Evans.

Dear Ms Evans,

I refer to your "no objection" (please see attached) received on 25th November 2021.

I have asked the applicant to clarify a matter as his application form included the replacement of 3 x casement, 1 sash and 1 fixed window but on his drawings, the windows were all labelled "sash windows". He has replied indicating that there was a mistake on the drawings.

Please find attached the revised drawings. I will also save them on our website. Do you have any comments?

Looking forward to hearing back from you.

Regards,
