

**Subject:** 2021/5664/P - objection

Hi,

2021/5664/P - objection

The link to the planning application would not work yesterday and the date has now passed.

I strongly object to this application, during lockdown when the roof had been converted we were kept awake night after night with noise going on into the early hours.

I live at the end of Betterton Street on the top floor and the music and shouting travels straight across.

Regards  
Phil Sutton  
33 Betterton Street
