Kennedy Woods

Unit B3.2 Bussey Building
133 Copeland Road, SE15 3SN
hello@kennedywoods.co.uk
020 7993 8205

This drawing is the copyright of Kennedy Woods Architecture Ltd and may not be copied, altered or reproduced in any way or passed to a third party without written authority. Kennedy Woods assumes no liability for changes and / or revisions made to drawings by the client and / or contractor. The drawing is provided for information purposes only. All dimensions to be confirmed prior to fabrication. If any discrepancies exist between this drawing and site conditions or information by other consultants, contractors, sub-contractors, or if otherwise unclear, notify the architect immediately. Drawing to be read in conjunction with all other issued documentation. Do not scale.

DRAWING KEY

-  Removal of Existing
-  Removal of Wall Finishes
-  Removal of Floor / Ceiling

General Demolition Notes:

Structure

Take extreme care when removing existing structural elements. Refer to engineer's drawings for extent of demolition. The Contractor is responsible for the design of all temporary works / supports.

Health & Safety

The Contractor is responsible for ensuring adequate measures are taken to provide a safe working site at all times. Should harmful or toxic materials (eg. Asbestos) be discovered on site in areas not noted in the health & safety plan, Contractor to stop works in this area and immediately contact the project manager / architect to assess the proper and safe removal of the material.

Accuracy of Information

If any discrepancies exist between this drawing and site conditions or information provided by other consultants, contractors, sub-contractors, or if otherwise unclear, notify the architect immediately.
