[EXTERNAL EMAIL] Beware – This email originated outside Camden Council and may be malicious Please take extra care with any links, attachments, requests to take action or for you to verify your password etc. Please note there have been reports of emails purporting to be about Covid 19 being used as cover for scams so extra vigilance is required.

To whom it may concern,

We are the [REDACTED] living at [REDACTED] and we'd like to raise an objection to the application to change the planning permission re: application number 2021/5652/P.

We have been made aware that there has been a request to alter the planning permission for 38-52 Fortress Road, Fortress Grove, the building which [REDACTED]
We understand that the original planning permission required total frosting of the rear workshop windows in 38-52 Fortress Road, and that now they have requested only partial frosting.

I would like to let the Council know that [REDACTED] object to this alteration in the planning permission.

Both of our bathrooms [REDACTED] and vice versa, from multiple angles. We have two young children and, myself as a woman, feel constantly worried that we may be seen by people working in the building behind us.

We already have to deal with workers on the roof on a daily basis walking up and down the roof. If we knew this privacy invasion would continue indefinitely, we would be less inclined to stay in this property for any length of time.

Please make note of our objection for the record.

Very best,
Valerie Blair and Samuel Adams

Valerie Blair
