

REDINGTON FROGNAL
NEIGHBOURHOOD FORUM

25 January 2022

Dear Mr. Greenhalgh,

Application 2021/2494/P: 9 Redington Road - objection

The proposal for external air conditioning units is contrary to Local Plan policies CC2 and A1 and then Neighbourhood Forum therefore wishes to object to this proposal.

Instead, cooling should be achieved through tree planting, for example in accordance with Redington Frogna! Neighbourhood Plan policies BGI 1 and BGI 2.

Yours sincerely,

Secretary
