2021/5437/P	Jeremy and Rohini Masters	23/01/2022 09:44:07	OBJ	<p>We have the following objections</p> <ul style="list-style-type: none">(1) The extension would not be in sympathy or symmetry with the existing building 36 is part of (ie 35 and 36 combined).(2) It will be out of keeping with the architectural heritage of the area which allowed for a footprint of each building (single or twins) that gives space and light between.(3) It will be an open invite for every owner in the area who wishes to aggressively expand their footprint sideways and upwards irrespective of the impact.(4) It will diminish light and open space for 37 Camden Square.(5) Digging the foundations for the new building may have impacts on the existing structures 35/36 and 37. <p>We would be grateful if you could consider these objections</p>
