2021/6108/P	Kristina B	24/01/2022 12:53:44	AMEND	While we are supportive of adding some more equipment, we are keen to preserve the green area, as that was a key element of choosing the estate. We don't want to lose existing trees or lawn. It is a great idea to utilise the paved area above the garages at Hazel House. We don't see the need of any concrete, especially concrete benches. Maybe efforts should be refocused on equipment specifically for training, e.g. climbing and pull up bars, but keep the number of these limited and not spread throughout the estate, as this would also limit the added noise.
