2022/0007/P	martha mcgrath	24/01/2022 09:58:02	OBJ	we have a problem with noise and anti social behaviour and putting benches will increases this behaviour the play ground never really gets use and if is is its either for the youth to drink and smoke in and for or even use as a dog park, to where the gym is going is where the children have always played football so if anything you are stopping them and there is a gym round in lismore which never gets use so this will just be a waist of money
