2021/5690/P	Ms Elena Hofmann	31/01/2022 19:45:09	OBJ	<p>I live on the elevated ground floor flat of 5 Belsize Crescent.</p> <p>I continue to strongly object to the proposed development at 5 Belsize Park Mews on the following grounds.</p> <ol style="list-style-type: none"> 1. The 'revised plans' still propose a single story roof extension with an extensive roof terrace at the rear. This would create a strong sense of enclosure and a feeling of being boxed in when looking out of the windows of my bedroom and home office. 2. The roof terrace, accessible from the master bedroom, and the multiple windows would mean residents at 5 Belsize Park Mews can [REDACTED] and home office. Any obscure glass could be easily exchanged. I would lose my [REDACTED]. According to CPG6 a minimum of 18m between windows of habitable rooms is advised in my case this distance would only be between 9 and 10 metres. 3. At night there is potential for considerable light pollution consequent to the proposed extensive use of glass at the rear elevation, in addition to a the potential for noise disturbance.
2021/5690/P	Dror Appel	31/01/2022 14:51:52	SUPPRT	<p>I strongly support this application. The revised application addresses all the issues raised by the previous objections. While some people will never be happy and forever resist development its clear this is a well designed development which will enhance the character of the mews. And a great improvement to the look of the existing house.</p>
