2021/6078/P	colin bateman-jones	31/01/2022 13:52:13	COMMNT	<p>The proposed extension at the back of the building (ie the addition of a floor) will impact me the most of the flats in Downing Court (the building immediately to the north). It will result in a substantial reduction of direct light to the room immediately abutting the proposed development. It will turn what is a bright sunny room, essentially where I sit and read, it one that will be considerably darker and it is on that basis I object to the extension.</p> <p>Many thanks</p> <p>Colin</p>
