Dear William

Your Qualification Documents

At BIIAB Qualifications Limited we believe that undertaking a qualification should be both an enjoyable and rewarding experience. We also appreciate the hard work and dedication required to achieve success. We are therefore very pleased to enclose your certificate and other documents and we would like to congratulate you on your achievement.

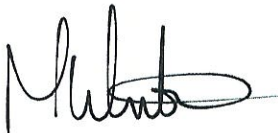

Please visit <https://learner.skillsandeducationgroup.co.uk/> to register for our free digital service. Once you have created an account, you will be able to access a copy of your digital certificate and documents which are securely stored online.

Through the digital certification portal, you can provide employers and other third parties with access to view your certificates when applying for jobs. You retain full control over what each person sees at all times. You can also use the portal to order replacement certificates should you ever misplace them.

Security is paramount and all our certificates include unique QR codes which can be scanned to verify authenticity, protecting you from fraud.

We hope that you continue to explore opportunities to develop your personal and professional skills and we look forward to celebrating again with you in the future.

Yours sincerely
