2021/5946/P	Nicholas Haag	01/02/2022 22:54:14	OBJNOT	A I recall this is the 3rd attempt to obtain permission for this project. I oppose it on the basis that it will be unsightly and, without wishing to sound like David Icke in relation to 5G, I am concerned about radio waves for those living and working nearby. I live in Grove Terrace and understand that most residents there are strongly opposed to this project (many will submit their own objections) and I cannot see why a 3rd application could, in all logic, be received any more favourably than the first two. It should in my opinion be conclusively rebutted.
