Dear Madam,

I am writing with reference to the proposed additional playground/ exercising area for Maitland Park Estate.

I am a resident in Rowan House and I am very concerned about the potential disturbance that this will cause, right outside our homes.

We feel that additional equipment will encourage more anti social behaviour day and night.
Drug dealing is an existing problem on the estate.

We have two play areas either side of Rowan House, which are already causing disturbance and stress , sometimes by youths passing through on their way home from the pub.!!
We do feel that having additional equipment will only exacerbate the problem.

Do we not have a right to peace and quiet in our homes.

In the light of global warming why don't we just plant more trees.

Regards,

Christine Yates
