Dear Mr. Bushell,

I am the resident and owner of 6 Perrins Lane. I have been advised that a planning application has been submitted by Mr. Stephen Stark of 3 Perrins Court, with planning reference: 2022/0015/P. Previously he was given planning permission to build a roof terrace and he went beyond the height that was permitted and was never obliged to correct this. I therefore do not feel comfortable that he would even keep to the agreed terms.

I have considerable concerns about the impact the proposed plans will have on my [REDACTED], light levels and the value of my property.

The previous erection of the [REDACTED] and the light. It is also extremely ugly viewed from my property.

It was fortunate that I was advised of this, because neither Camden council nor Mr Stark informed me of this proposal.

I would like to speak to you and raise my deep concerns about this application.

I'd be grateful if you could find a time on Friday 4th of February as on the other days, as a [REDACTED]  
[REDACTED]

Yours sincerely,  
Susan Reid
