

**Legend**

- ELEC — 3x 100mm ducts
- ELV — 3x 100mm ducts
- Tray (Existing Ducts for ELV & LV)

- Notes:**
- Do not scale this drawing (printed or electronic versions).
  - This drawing indicates design intent only and shall not be used as a working drawing or installation drawing. The contractor shall be responsible for producing his own fully coordinated working drawings.
  - Contractors must check all dimensions on site prior to ordering materials or commencing work. Any discrepancies must be reported to the engineer immediately.
  - This drawing is copyright and is for use on this site only.
  - All structural & architectural elements, where indicated, have been imported from the engineers drawings and reference should be made to the individual structural / architectural drawings for exact dimensions.
  - This drawing should be read in conjunction with all relevant consultants, specialist sub-contractors, supply chain drawings and specifications for exact setting out, size and type of component.
  - Discrepancies and/or ambiguities within this drawing, between it and information given elsewhere, must be reported immediately to the Ingleton Wood for clarification before proceeding.
  - All works to be carried out in accordance with the latest British Standards/Codes of Practice/Building Regulations unless specifically directed otherwise in the specification.
  - Responsibility for the reproduction of this drawing in paper form, or if issued in electronic format, lies with the recipient to check that all information has been replicated in full and is correct when compared to the original paper or electronic image.
  - Graphical representations of equipment on this drawing have been co-ordinated, but are approximations only. Please refer to specifications and / or details for actual sizes and or specific contractor construction information.
  - All builders work associated with the mechanical and electrical services installation must be included for.
  - Contractor to review site Asbestos register prior to commencing works.
  - The position of all equipment shown is indicative only. Final positions to be determined & indicated on working drawings.
  - Refer to presence detector installation instructions for wiring, switch type & final position.
  - Cable containment (if indicated) is shown as indicative only. Contractor to determine cable containment routes and sizes to suit the installation.
