2021/5866/A	Patricia Wager	03/02/2022 10:04:25	INT	As a local resident who uses the existing bus stop in Southampton Row, I suggest that it is not appropriate to move this bus stop to a new location outside CSM building especially as redevelopment of this large site is about to commence and will probably take around 5 years. The current bus stop is outside the shops and hotel. To go to the new position where there are no shops or businesses means crossing the Theobalds Road junction which will be particularly difficult for the elderly and frail clutching their shopping. It will also be very close to the stop outside Holborn Station.
